### LIQUOR LIABILITY TERMS AND POLICIES

Classic Catering carries a liquor liability policy covering the service of alcoholic beverages to the guests at your event.

While we do not have a liquor license, we are able to serve the alcohol that our clients provide. Our professional bartenders adhere to all CA Alcohol Control Board guidelines for serving alcohol to the general public. Guests that appear to be under the age of 30 will be carded. In addition, guests that appear to be intoxicated or impaired by alcohol will not be served by the bartender.

### LIQUOR ASSISTANCE

We will be happy to assist you in determining the quantity of alcohol needed for your event. As a general rule of thumb, we suggest 1 drink per person, per hour of event. Depending on your knowledge of your group, amounts may vary.
